

Savernake View Care Home hosts Garden Party in honour of new Marlborough Mayor, Lisa Farrell.

Mayor Lisa Farrell with Sharon Villegas, Client Services Manager and guest Gordon Swinton

Savernake View held a garden party on Saturday 23 June to welcome the new Mayor for Marlborough and to celebrate the 2nd anniversary of the home.

Guests and residents enjoyed a delicious afternoon tea with classical guitarist Benjamin Spender providing discreet background music suitable for the occasion. The weather was glorious and with the beautiful gardens of Savernake providing the perfect setting for a game of croquet.

Lisa said, it is lovely to be here, I can't believe how beautiful this place is, it is amazing!
